

2nd Conference on

COMPUTER-AIDED ENGINEERING IN RAW MATERIAL PROCESSING AND PARTICLE TECHNOLOGY

A conference bringing together international experts from research, development, and industry – bridging advanced digital technologies with their application in industrial practice.

September 30, 2026

Montanuniversität Leoben – Technical University of Leoben, Austria

Followed by the ON-DEM Network Meeting (October 1–2, 2026)

CALL FOR SPEAKERS

DEM | FEM | MBD | CFD | Multiphysics | System Simulation | Virtual Prototyping | Simulation- & Data-Driven Design | Digital Design & Process Optimisation | Data/Image/Signal Analysis & Processing | Digital Twin | AI/ML

Submission & Contact:

Dr. Eric Fimbinger
eric.fimbinger@unileoben.ac.at
+43 664 80898 1814

Submission of presentation title:

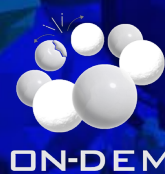

Extended to June 28, 2026
